## SAANICH PENINSULA AND GULF ISLANDS REVIEW

### IDEAL AREA FOR BEAUTIFUL HOMES

THE Saanich Peninsula and Gulf Islands enjoy the most favorable climate on the Coast and the scenery cannot be surpassed. For those wishing to retire in delightful surroundings and get away from the extreme cold and heat of the prairies or too much wet weather of other sections of the mainland this area should be given serious consideration. Any reader on the "outside" wishing more information regarding any particular spot on the Saanich Peninsula or Gulf Islands, with a view to eventually coming here to live, is invited to write us. All information we can possibly give will be cheerfully furnished free of charge. Drop us a line today, don't put it off any longer. ### SALT SPRING DR. IS RUSHED TO VICTORIA

Overtaken by illness while carrying on her professional duties on Salt Spring Island, Dr. E. M. Sutherland, Ganges, was rushed to Victoria by motorboat and automobile to the Provincial Royal Jubilee Hospital, arriving on New Year's Day. Dr. Sutherland is now a patient there, and is none the worse of her race against serious complications. She is well on the road to recovery, according to hospital reports. Dr. C. Wace is attending Dr. Sutherland. Stormy weather on the Gulf of Georgia made the crossing to Sidney not one of the smoothest, and the gas boat ran through the choppy sea with the invalid passenger. The boat was met by an ambulance automobile to convey the patient to hospital. From that point through snow and slush the race continued. Traveling at its best the automobile sped on to the city and within a few hours of her departure from Ganges, Dr. Sutherland was safely ensconced in a hospital bed.

### U. C. S. S. PARTY FOR CHRISTMAS

In spite of the inclemency of the weather a large number gathered in Wesley Hall on Thursday evening, Dec. 29, for their annual school party. Prettily decorated tables were presided over by the following ladies: Mrs. Hill, Mrs. Ramsay, Mrs. McNeil, Mrs. Taylor, Miss Kathleen Taylor and Miss Houldsworth. After all had done justice to a dainty supper the following interesting program was submitted, each one doing his or her part very creditably and many encores were responded to: Recitation, Barry Hall; dialogue, Edna Holdridge and Leslie Hambley; recitation, Donnie McNeil; song and chorus, Kathleen Lowe; recitation, Mary Thornley; tableau, Donnie and Lorraine McNeil; song, Kathleen Watts; reading, Ivy Hill; recitation, Edna Holdridge; play, Mrs. Hill's class; solo on mouthorgan, Mr. William Owens.

The last item on the program was the presentation of badges to the pupils who made good attendance at Sunday School after which the chairman of the evening, Mr. Taylor, returned thanks to the children who so

This fancy dress ball is for any boy and girl of school age and under.

### MILITARY 500 AT N.S.S. CLUB

Last Saturday evening being New Year's Eve the North Saanich Social Club held a military 500 in place of their usual social evening. On account of the bad weather there was not such a large attendance as had been hoped for, but all there voted it a jolly good evening. There were 16 tables in play. The turkey for high bid was finally won, after great struggles, by Mr. Beattie, the chickens and ducks as first prizes were won by Mesdames MacAulay and Bert Readings and Messrs. Sansbury and John Lawson, the second prize table were Mrs. O. Thomas and Messrs. G. Clark, L. Ricketts and B. Beswick, and the third table Mrs. Lorenzen and Miss D. Carter and Messrs. Lawson and A. Nunn, while the consolation prizes — which consisted of mince pies — went to Mrs. Creamer and Mrs. Hill and Messrs. Creamer and V. Nunn. There were also a great number of tombola prizes given, some being of a musical nature, which added to the noise and merriment. After supper the floor was cleared for dancing. Just before midnight, the old year 1927, in the shape of Mr. Sansbury, was led round the room by Mr. Ricketts, and finally hounded out by the boys and then the new year, Joan Thomas, was brought in by Mr. Beattie, dressed in white and tinsel. After a short speech of welcome and good wishes by the new year the whole company joined hands and sang "Auld Lang Syne," which was followed by the home waltz, everybody wishing it was not Sunday morning.

### JOLLY PARTY HERALD NEW YEAR AT COVE

By Review Representative

DEEP COVE, Jan. 5.—The Deep Cove Social Club Hall was the scene of a very jolly dance on Friday evening when about 75 guests were present to herald the coming of the New Year.

The hall, which had been decorated under the supervision of Miss Copthorne and Mr. G. Sangster, presented a very gay and attractive appearance, the color scheme of blue and yellow, which had been so cleverly blended in a new and entirely different manner, was the subject of many comments of admiration.

Schofield's three-piece orchestra, which has proved so popular everywhere during the past two years, was again in evidence with an entirely new and up to the minute program of dance numbers whose popularity won them repeated encores. Miss Irene Moses very kindly played the supper extras.

Promptly at midnight the dainty refreshments were served in the dining-room, the tables being prettily centred with miniature Christmas trees all a-glitter with sparkling ornaments. Mrs. Meares and Mrs. L. North assisted Mrs. Calvert in serving the guests.

The distribution of serpentine and confetti enhanced the after supper festivities and dancing was enthusiastically continued until 2 o'clock and declared unanimously to have been a great success.

The singing of Auld Lang Syne brought the evening to a close.

### PENDER

By Review Representative

Owing to the extreme weather conditions the school did not reopen on Tuesday.

Master Jack Stiggins had the misfortune to fall from his wheel one day last week and cut his knee rather badly, necessitating several stitches.

Bob Brockett is spending a short holiday up the Island, having gone as far as Comox.

A number of Yuletide parties were enjoyed last week, Mrs. Grimmer, et al., and Mrs. Grieg being hostesses at the two principal ones.

The annual meeting of the Women's Missionary Society was held on Dec. 23rd at the home of Mrs. Fry. Mrs. R. McNaughton was elected president for the coming year, all other officers being re-elected. A good report of the year's work was given, the allocation having been again exceeded.

The annual meeting of the congregation of the United Church was held on the evening of the 29th, Rev. R. McNaughton in the chair. Owing to the unpleasant cold weather the attendance was small, and the meeting confined solely to business. All officers remain as previously. A good financial report from all departments was presented.

A social time was enjoyed by members of the Young People's Society on New Year's Eve, followed by a watch-night service conducted by Rev. R. McNaughton.

Weather report for December: Rain, 1.94 inches; snow, 12 inches.

### Four New Liners for Canadian Pacific

1. Painting of new "Duchess of Atholl" by Norman Wilkinson.

2. Her Grace The Duchess of Atholl.

3. Vessel just after being launched on the Clyde.

4. Cabin lounge of the palatial "Duchess of Atholl."

Featuring the 1928 St. Lawrence sailing schedule of the Canadian Pacific Steamships is the incorporation of two of the four new 20,000-ton "Duchess" class liners now under construction for the Company in the Old Country. The development of the St. Lawrence route to England and the Continent has prompted the Canadian Pacific to augment their present trans-Atlantic passenger fleet to this extent.

The first of these four huge liners, the "Duchess of Atholl," was launched recently on the Clyde, Scotland, and christened by Her Grace the Duchess of Atholl, M.P. The ceremony was attended by a large gathering of Canadian Pacific and ship-building officials.

Her Grace in receiving a silver model of a steering wheel and book of prayer, stated that she knew something of the joy with which the huge order from the Canadian Pacific had been

received on the Clyde. The Canadian Pacific she said had entered the Atlantic service only in 1923 and had already spent \$100,000,000 in British shipbuilding yards. No person, she added, could visit Canada and not be impressed with the tremendous activities of the Canadian Pacific and what that Company has meant in building up the Dominion.

With the launching of this vessel, ships registering a total of 72,000 tons have been launched for the Canadian Pacific during the months of October and November. This is regarded as a record for a private company. The four new liners will be each of 20,000 tons gross register. In addition to this passenger liner the total tonnage for the two months is made up by five express cargo steamers of the "Beaver" class, and the "Princess Elizabeth," a 9,000-ton coastal steamer for the Pacific Coast service of the Company.

The vessels of the "Duchess" class, which will include the Duchesses of Atholl, Bedford, Richmond and Beaufort, will represent four of the finest passenger ships afloat. They will be the largest to navigate the St. Lawrence as far as Montreal on regular runs, the general measurements being: length 599 feet breadth, 73 feet with a load draft of 27 feet. The "Duchess of Atholl," as well as her sister ships will be luxuriously appointed throughout. Oak, mahogany, any, white and red high teak, sycamore and rosewood are some of the fine woods being used in the interior finishings. The ships will be able to clear hares and will have accommodation for about 1,000 passengers each.

The "Duchess of Bedford," sister ship of the "Duchess of Atholl," is now being launched at Glasgow, and the remaining two in the spring of 1929. The new vessels will have a speed of 17 1/2 to 18 1/2 knots at sea.

### BRUTAL AUTO HEADLIGHTS

Brutal, needless and high handed are very many of the automobile lights carried by cars operating on B.C. highways at night.

Not only are very many automobile lights grave offenses against decent regard for the other fellow, but, more than that, the operator of such lights will not even attempt to dim them when the customary signal is given.

The only excuse for some of the lights in use on B.C. highways is that they must make the road as light as day for a distance so far ahead that the driver behind such lights may drive with all the assurance of daylight. That might be commendable if it were not for the traffic coming in the opposite direction. As it is, those who are forced to face such lights are rendered practically helpless. The careful, considerate driver is forced to trust his fate almost wholly to the driver behind the onrushing blinding glare.

To modify automobile lights back to the scale of decency can have no unfair effect on anyone. That milder lights might slow some drivers down in respect to pace is the worst that can be said of reasonable headlights. As the situation now is very many people are driven from the highways at night. Reasonable headlights would make our roads usable by a much greater number than at present.

A powerful, penetrating light without a glare would be a wonderful thing for night driving. Some of these days such a device will be put on the market and will no doubt be welcomed by all motorists.

### WHY PATRONIZE LOCAL DEALERS?

Because your interests are at home.

Because the community that is good enough for you to live in is good enough for you to buy in.

Because you should believe in transacting business with your friends and neighbors.

Because you want to see the goods you are going to buy before you buy them.

Because you want to get what you buy at the time you pay for it, and not have to wait for days, weeks and even months for deliveries.

Because the man you buy from helps support your church, your lodge, your home.

Because when ill luck, misfortune or bereavement comes, the man you buy from is here with his kindest greetings, his words of cheer, his pocketbook, if needs be.

### MOST FOLKS ARE HONEST

Now and then some paper publishes a statement that it is illegal to regard a subscription as an open account, to be paid for so long as the publisher does not receive an order to discontinue. That is a mistake, as the courts have ruled again and again. Of course such matters seldom go to court. In our long experience we have had only a few subscribers try to evade payment on any such claim. We think most folks are honest.

Subscribers are sometimes short of money, many are thoughtless, possibly a few are indifferent; but it is rare that anyone dodges payment after receiving the Review. Most folks settle cheerfully and honorably, even if delayed in doing so.

### NO CHANCE FOR AN ARGUMENT

The biggest word in the language is also the littlest.

It is not "duty" as some have soulfully written

It is not "love" as those in their teens or early twenties choose to believe.

It is neither "faith," "hope," nor "charity," as the theologians oftentimes infer.

It is not an abstract word at all, nor is it one of the second or third person. "You," or "he" or "she" may be powerful words under given circumstances, but in the end they run their course.

You have guessed it? It is the word "I" written that way with a capital. Argue about everything else, if you will, but do not convict yourself of sentimentalism by disputing this finding.

### ENTHUSIASM

Where you find a bright and growing business, or an advancing community, you always find some enthusiastic people. They are sanguine, hopeful and confident. They speak in warm terms of their home community. They see its fine achievements and its admirable people. They praise its advantages and utter no words of detraction.

They are confident and hopeful about prospects in their own business. They see everything in bright colors. While that spirit can be overdone and may be exemplified with lack of judgement, it is one that promotes support and co-operation. People buy goods of a salesman of that type. They like to move into a town that is full of that kind of folks. Things go ahead faster in that kind of a town.

### WHAT A WHALE OF A DIFFERENCE A FEW DAYS MAKE

People ought to secure life insurance and make their wills before they die, but some of them seem to think it is possible to do so after they are dead, or that they are not going to die. At least, many neglect these important items.

### CONSERVATIVES WILL HOLD SOCIAL EVENING

The Conservative Association of Sidney and Deep Cove will hold a social evening at Deep Cove Hall on Thursday, Jan. 12.

A "500" competition for prizes will be a feature of the evening.

Dr. Tolmie, C. H. Dickie, M.P., and several others will make short speeches.

Refreshments will be served at the close and everybody is invited to attend.

### CANADIAN LEGION

The regular monthly meeting of the North Saanich branch of the Canadian Legion was held in Matthews' Hall on Tuesday evening, Jan. 3. Owing to the inclemency of the weather the attendance was small. In the absence of the president the chair was taken by Com. C. W. Toomer. A lot of routine business was disposed of and several items of interest were laid over until the next meeting. The new secretary-treasurer, Com. Rev. T. M. Hughes, assumed office during the meeting.

Owing to a typographical error in our last issue the meeting of the Canadian Legion to be held on Tuesday, Jan. 3 was erroneously stated to be held on Thursday, Jan. 5.

### CONSERVATIVES TO MEET ON GALIANO

The Conservatives of Galiano Island will hold a meeting and dance on Wednesday, Jan. 11, at the Galiano Hall. Hon. Dr. Tolmie, Col. C. W. Peck, V.C., M.P.P., and others will make short speeches.

Refreshments will be served and everything is free.

Mr. and Mrs. G. H. Mather of Moose Jaw, Sask., are visiting at the home of Mr. and Mrs. J. T. Taylor, Mount Baker Ave. Mr. and Mrs. Mather will take up residence on Brookley Road, near Elk Lake, in the course of a few weeks.

"Salt Spring Island—The Switzerland of America" is a slogan that should be capitalized. Salt Spring has the goods. Let's tell the world.

### Regimental Piping Awards Announced

1 Inter-Regimental Trophy presented by E. W. Beatty, president of the Canadian Pacific. 2 Lt. Charles Dunbar, winner of the trophy. 3 Piper Neil Sutherland, winner of second trophy.

As a question of military status was involved in the regimental bagpipe competition held at the Banff Highland Gathering in September, the final decision as to the holders of the trophies was referred by mutual consent to the Minister of National Defence, under whose authority the competition was held. The decision has just been given by Major-General Thacker, Chief of General Staff, to the effect that the trophy given by Mr. E. W. Beatty, chairman and president of the Canadian Pacific Railway, as originally offered to pipers from Highland Regiments, be awarded to Lieutenant Charles Dunbar, Highlanders of Canada, Hamilton, Ontario—this being accompanied by a cash prize of \$100.00. Under this ruling Pipe-Major McPherson, of the Toronto Scottish Regiment, ranks for second prize of \$50.00 and Pipe-Sergeant Hugh McBeth, of the Calgary Highlanders, for third prize of \$25.00. Piper Neil Sutherland, of the Twelfth Signal Battalion, Canadian Corps of Signallers, Regina, is awarded the first place in the competition for a trophy of equivalent value as Champion Pipe Player, Canadian Militia, the trophy to be held by the contestant who wins in two successive competitions and the trophy remaining the property of the unit to which the winner belongs. Neil Sutherland receives \$100.00 cash as winner. Second in this competition is Pipe-Major James Hamilton, of the Canadian Fusiliers, London, Ontario, who receives a substantial cash prize.

## Cheaper Electricity

FOLLOWING the recent announcement of a reduction in general lighting rates, you will be interested to know how much electricity you can buy for a dime—10c.

The following table will give you a good idea of the service and comfort a dime's worth of electricity will purchase when the new rates become effective on January 1, next. It will run—

A Vacuum Cleaner	8 1/2 hours
or	
A Washing Machine	3 3/4 hours
or light	
A Forty-Watt Reading Lamp	.25 hours
or run	
A Sewing Machine	16 hours
or operate	
A Refrigerator	15 hours

For what other household necessities can you spend a dime—10c—to better advantage?

Electricity is, today, the cheapest good thing you can buy. It brings comfort and convenience wherever it is used.

We'll be glad to consult with you on your light and power requirements.

the Otter on Wednesday, where he  
spent New Year's with friends.

Mr. and Mrs. A. J. Eaton enter-  
tained a few friends at their home  
on Christmas evening.

On Thursday, Dec. 29, Mrs. R.  
Maxwell, the retiring president of the  
Women's Institute, was presented  
with a pretty set of cups and saucers,  
in recognition of her faithful services  
in connection with the Institute  
work throughout the past seven  
years.

Mr. and Mrs. John J. Shaw enter-  
tained a few friends to dinner New  
Year's night.

Master Kenny Eaton had a little  
Christmas party on Thursday.

The next monthly meeting of the  
Women's Institute will be on Thurs-  
day, Jan. 12.

Miss Eleanor Gropp returned by  
launch on Monday to resume her  
duties at the Isabella Point school.

We are looking forward to a big  
crowd at the masquerade dance on  
Saturday, Jan. 14, at the Institute  
Hall, Fulford. The proceeds are to  
go towards the hall debt.

Miss Mollie Akerman left Fulford  
on Monday for Salmon Arm, where  
she will resume her teaching at Sal-  
mon Arm school.

Mr. H. Bradley returned to Fulford  
on Monday.

Mr. and Mrs. John Mollet enter-  
tained a big gathering of friends and  
relatives on Christmas Day at their  
home at Fulford Harbour. A very  
jolly dance was enjoyed by the young  
people later in the evening.

Mr. and Mrs. Wakelin, sr., are  
spending the Christmas and New  
Year's holidays with their daughter,  
Mrs. Drinkwater, in Vancouver.

Miss Edna Morris went to Victoria  
on Tuesday, where she was the guest  
of Mr. and Mrs. Addison for a week.

Mrs. Ayers and daughter spent the  
Christmas holidays with Mrs. Mc-  
Neil at Sidney.

Miss Eleanor Gropp came up from  
Victoria on Tuesday last to attend  
the dance at Harbour House.

Mr. and Mrs. Percy Horel enter-  
tained a few friends at their home  
on Wednesday evening, Dec. 28.  
There were about 25 guests present.

British Columbia's forest rangers  
and patrolmen report a reduction in  
forest fires costs of practically 90  
per cent., compared with 1926. The  
total loss this year was about \$214-  
900.

An air line between Halifax and  
New York city for freight, express  
and mail, is being considered by  
Halifax business interests, accord-  
ing to a report made to the United  
States Department of Commerce by  
Consul Eric W. Magnuson.

The Canadian Pacific Express  
Company has extended its service  
into the new gold field of north-  
western Quebec, reaching Ronny  
over the recently completed exten-  
sion of the Nipissing Central Rail-  
way. This extension provides a  
new and short route into the rapidly  
developing mining area.

Turkey raising is a coming in-  
dustry in Alberta as a number of  
successes at various fairs would in-  
dicate. A recent move in this con-  
nection is the formation of the Al-  
berta Bronze Turkey Breeders' As-  
sociation, which is now active in  
promoting and extending the turkey  
breeding industry.

According to Dr. J. B. MacDou-  
gal, Assistant Chief Inspector of  
the Ontario Provincial Department  
of Education, the operation of the  
Canadian Pacific school car in  
northern Ontario has proved a more  
successful venture than the Depart-  
ment had ever expected. He stated  
that the progress of the pupils dur-  
ing the year of operation has been  
remarkable.

The Western Canada Grain Pool  
contemplates spending \$5,000,000  
during the coming year in exten-  
sions to facilities in country eleva-  
tors and terminals in Western Can-  
ada, according to George H. Melvor,  
General Sales Manager of the Pool,  
on a visit to Toronto recently. The  
building programme includes 100 or  
150 country elevator in Alberta; 150  
in Saskatchewan and 40 in Mani-  
toba. At present there are 160 in  
Alberta, 730 in Saskatchewan and  
50 in Manitoba.

Close on 400 miles of branch line  
construction in Saskatchewan and  
Alberta have been virtually com-  
pleted up to December 1st by the  
Canadian Pacific Railway, accord-  
ing to a report from headquarters.  
On 282 miles of this construction  
grain from the current year's  
harvest is being taken out, and  
while work is closed down at this  
date on most of them, there are  
still some on which bridge and other  
construction work is being proceeded  
with.

About 300 carloads of Christmas  
trees will be delivered to the trade  
from the Province of Quebec from  
the end of November onward, ac-  
cording to indications of traffic re-  
ceived at Canadian Pacific Railway  
headquarters. This will mean about  
500,000 trees of a value of about  
\$150,000 to the farmers of this pro-  
vince. The average size of the  
trees for the New York and Bos-  
ton markets is about 6 feet. They  
are mostly white spruce and bal-  
sam of the "weed tree" variety  
which is of prolific growth and  
little commercial value.

The value of the Western Cana-  
dian grain yield this year is figured  
at \$1,600,000,000 by a financial firm  
making a survey of conditions at  
Winnipeg. Wheat is put at \$563,  
804,729; oats at \$166,428,382; bar-  
ley at \$62,887,903; rye at \$16,625,  
381; and flax at \$1,935,315. Hay  
and other grains are included in the  
grand total.

The Eastern International Dog  
Sled Derby will be held this year  
at Quebec City, February 20, 21 and  
22, according to information given  
out by the tourist department of the  
Canadian Pacific Railway Company.  
The leading drivers from all parts  
of the Continent will take part.  
The race is over a 120 mile course  
with an average of 40 miles a day.

Montana farmers are hauling  
grain to the Pacific Railway lines just north of  
the International boundary line in  
South-western Saskatchewan. Some  
50,000 bushels are on the move there  
on sale to the Wheat Pool. It is  
remarkable that the Montana farm-  
ers are paying the duty and receiv-  
ing about \$5 per load more than if  
delivered to the elevators located  
along the Montana route.

"The tourist crop is the next best  
crop to that of wheat in the Cana-  
dian West," said C. B. Foster, pas-  
senger traffic manager of the Cana-  
dian Pacific Railway, visiting Win-  
nipeg recently. "Canadians are now  
capitalizing on our splendid winters,"  
he said. "It used to be our custom  
to decry them, but we have since  
learned their appeal to the stranger  
as well as ourselves and are profit-  
ing by it."

Quebec City is preparing for a  
record winter sports season, accord-  
ing to Jack Strathdee, newly ap-  
pointed winter sports director at the  
Chateau Frontenac. Mr. Strathdee  
comes to his new field of activity  
with a wealth of experience, having  
promoted outdoor sports in the Mus-  
koka Lakes region and more recently  
at the French River Bungalow  
Camps of the Canadian Pacific  
Railway.

Saskatchewan heads the provinces  
of Canada in growth of tourism  
from tourist traffic, according to  
the Dominion Bureau of Statistics  
dealing with the calendar year 1926.  
The gain over the previous year was  
over 100 per cent., while Manitoba  
was the only other province with a  
revenue increase of more than 25  
per cent. The total income from  
the whole of Canada has risen from  
\$3,391,760 in 1920 to \$10,641,445  
last year. It is thought to carry  
back \$100,000,000 to Canada's over-  
all balance of trade.

We are sorry to hear Dr. Sutherland was taken to the Jubilee Hospital on Saturday for treatment.

A full account of the fancy dress dance, Dec. 30, will be published next week.

Miss Doris Taylor arrived at Ganges on Monday last where she has been the guest of Capt. and Mrs. Best for a few days.

Mrs. J. W. Flinton and daughter went to Victoria on Monday, Jan. 2, to spend a week with friends.

Miss Betty Dunnell of Victoria has been visiting her aunt, Mrs. Palmer, for the past week.

Miss Brynjolfson has been the guest of Mr. and Mrs. P. A. King through the Christmas week.

Several went over on Friday from Salt Spring by launch to Maple Bay, motoring from there to Cowichan Bay Inn, to attend the dance given by Miss Nanie Neel and her brother that night.

Harbour House, Ganges, was the scene of a very enjoyable dance on Tuesday evening, Dec. 27, when Mr. and Mrs. F. Crofton entertained at a delightful “coming of age” dance in honor of their eldest daughter, Miss Diana Crofton. The house was very prettily decorated for the occasion with red and greenery. Close on 100 guests were invited.

The dance at Central Hall on Monday, Dec. 26, was a great success, it went with the usual Christmas spirit, bright and jolly. The many visitors on the Island enjoyed the evening immensely. Eaton's orchestra supplied the music.

Miss Eagle came up from Victoria on Tuesday to attend the dance at Harbour House Tuesday last.

### EXPRESS CARGO STEAMERS FOR CANADIAN PACIFIC RAILWAY

The fourth of the five 10,000 ton cargo steamers under construction in the Old Country for the Atlantic service of the Canadian Pacific was launched recently from the yards of Messrs. Barclay, Curle and Co., Glasgow. With appropriate ceremonies and in the presence of a large gathering of Canadian Pacific Officials, the new ship was christened the “Beaverhill” by Miss Mayla Gillies, (inset) daughter of Captain James Gillies, general manager of the Canadian Pacific Steamships Ltd.

When these new steamers are delivered, the Canadian Pacific cargo fleet will be augmented by five of the highest type of express cargo steamers and capable of maintaining a speed of 14 knots an hour, which is regarded as exceptional for cargo steamers. The marked growth of ocean trade between Great Britain and Canada via the St. Lawrence route, has prompted the Canadian Pacific to augment their freight service to this extent. These vessels will be used to maintain a weekly service between Canadian ports and those in Great Britain and on the Continent.

This new freighter, like her sister ships the Beaverburn, Beaverville, Beaverford and Beaverbrook, is 520 feet in length 61 and a half feet in width with a deadweight carrying capacity of approximately 10,000 tons and load draft of 27 feet; but should a need arise as much as 13,000 tons may be carried on the maximum load draft. The ships will be driven by twin screw.
